4 The provision made on account of the temporary establishment has been retained under the head Commission to prevent confusion in sanctioned scales

5 The questions for consideration are (1) whether the increase proposed in favor of the Muntasdr may be sanctioned and whether the establishment may be made permanent

(1). No case has been made out for the increase proposed to be given to the Muntasdr On the other hand the papers in the linked file go to show that the temporary Es^t is unable to carry on the collection work without the Patels' help There is therefore no reason to give the increase proposed

(2) As the temporary establishment has been considered in another connection to be useless without the Patels, it seems desirable to ~~assess~~ abolish that Estt and entrust the work to the village officials paying them a Commission of 5% of the Collections This ~~method~~ will also be the cheaper of the two

Sir,

With reference to your docket No 11926/Mul 55-08-7 dated 28th May 1908 calling for certain details re the temporary collection establishment of the Gundlupet Municipality being brought on the permanent scale, I have the honor to state that the Amildar of Gundlupet reports in his No 246/15 dated 30-6-08 that the present age of the minor Shanbhog is about 14 years, and that the existing temporary establishment may continue. But considering that the accumulation of arrears in the Gundlupet Municipality is in no way due to the faults of the minor Shanbhogue, he may be allowed to depute a gumasta for the collection work (of octroi & Mohatarfa) and the temporary establishment dispensed with with effect from the 1st December 1908.
